Our Family Rules for AI:

1. We will always check AI answers before trusting them.
2. We will tell each other when AI helped with school work.
3. We will not share personal information with AI tools.
4. We will ask a family member if we are unsure about an AI answer.
5. We will use AI to learn, not to skip learning.

Our own rule:

Signed by our family:

Name	Date
Name	Date
Name	Date
Name	Date
