Standards Alignment

How AI Kairos resources align with national education standards

Standard	Description	AI Kairos Alignment
ISTE 1.1	Empowered Learner	Students use technology to set goals and choose tools. FOCUS framework teaches structured tool selection.
ISTE 1.3	Knowledge Constructor	Students evaluate information for accuracy and bias. READY framework teaches systematic evaluation.
ISTE 1.5	Computational Thinker	Students break down problems and use data. FOCUS prompting teaches problem decomposition.
ISTE 1.6	Creative Communicator	Students create original works. Lesson plans teach AI-assisted creation with human ownership.
ISTE 1.7	Global Collaborator	Students examine issues from multiple perspectives. READY bias analysis teaches perspective-taking.
CCSS.ELA.RI	Reading Informational Text	Students evaluate claims and reasoning in text. READY evaluation applies to AI-generated text.
CCSS.ELA.W	Writing Standards	Students produce clear writing with development and organization. FOCUS framework structures writing prompts.
CCSS.ELA.SL	Speaking and Listening	Students participate in collaborative discussions. Discussion prompts and scenario cards enable peer dialogue.
NGSS SEP 7	Engaging in Argument from Evidence	Students construct explanations and evaluate claims. READY evidence evaluation teaches fact verification.
NGSS SEP 8	Obtaining and Evaluating Information	Students assess the credibility of information sources. READY teaches source verification and bias detection.

You are the thinker.

AI is the tool.
